

Smyrna Baptist Association

January 2023

A Word from your Associational Missions Strategist

As we look toward the new year of 2023, a question to ponder is "Where will my church be on January 1, 2024?". Will we reach new people? Will we mature in our faith? Will we face the unknown challenges ahead by walking with God and not in our own strength? We have an association organized to support our churches in achieving success in multiple areas of ministry. We do not need to face the challenges of the next year alone. Through working together, our churches can accomplish the work of the Great Commission better. Scripture reminds us that "Two are better than one...A cord of three strands is not easily broken." (Ecclesiastes 4: 9-12)

God uniquely created each of us with gifts, abilities, backgrounds, and experiences; so that when we come together as the church, great things can be done for the sake of His Kingdom. "...the body is not one part but many...God has put the body together..." (1 Cor. 12:12-26) One key word in this passage is "together." Most of what is done through the association is done as members of separate church bodies come together and exercise the gifts and abilities that God has given them. As we start 2023 with a new associational structure and renewed direction, I pray that all we accomplish will be with the involvement of our churches, their leaders, and pastors coming together. This coming together is not just at meetings but in serving together to see all of our churches become healthy and reach people with the gospel.

As we begin our work together, I ask that you pray for our teams as they start their work in January. Pray that God would prepare hearts to be willing to serve on the many workgroups that will be formed. These teams and workgroups consist of pastors, staff, and laypersons from our churches. Below is a listing of our teams.

D-Life Boot Camps are designed to equip common people to be Christ-like disciplers. In D-Life training, we don't just talk about discipleship; believers will learn how to make disciples who make disciples as a way of life.
